

## REMARKS

Prior to a first Office Action in this application, Applicants request that original claims 1 and 5 be amended. These amendments do not involve any new matter or otherwise objectionable changes. Support for these amendments can be found in the specification at page 24, lines 6-8. When the Examiner takes this application up for review, it is requested that the foregoing amendments be taken into account.

It is submitted that this application is now in good order for allowance and such allowance is respectfully solicited. Should the Examiner believe minor matters still remain that can be resolved in a telephone interview, the Examiner is urged to call Applicants' undersigned attorney.

Respectfully submitted,
